**JOINT STATUS REPORT BY HYDRO-RESOURCES, INC.,
ANASAZI WATER COMPANY, LLC AND TUSAYAN WATER DEVELOPMENT
ASSOCIATION, INC.**

Pursuant to the Commission's Procedural Order dated May 2, 2013, Hydro-Resources, Inc. ("Hydro"), Anasazi Water Company, LLC ("Anasazi") and Tusayan Water Development Association, Inc. ("Tusayan") submit the following updated status report.

I. The Parties' Intentions Regarding Entering Into The Settlement Agreement.

After consultation among the parties, Hydro and Anasazi have approved the final version of both the Settlement Agreement and the Transfer Agreement, along with related exhibits. Tusayan's counsel has approved both agreements and they are being submitted

1 for final approval to the Tusayan Board of Directors. Hydro, Anasazi and Tusayan also
2 understand that the Commission Utilities Division Staff and Squire Motor Inns have
3 approved and will execute the present form of the Settlement Agreement. At this point,
4 the parties are waiting for approval of the Settlement Agreement by the Tusayan Town
5 Council. Counsel for the Town has separately approved the Agreement and it is being
6 submitted to the Town Council with a recommendation that it be approved at a meeting of
7 the Town Council set for August 7, 2013 (the parties were not able to get the item on the
8 Council agenda before the mid-July target date set forth in the last status report). The
9 parties fully expect that the Town will approve the settlement agreement on August 7,
10 2013, and that by then Tusayan's Board will have approved the agreements. The parties
11 will then circulate and file a fully executed version of the Settlement Agreement with the
12 Commission within a few days thereafter.

13 **II. Projected Date of Filing Completed, Executed Settlement Agreement.**

14 Hydro, Anasazi and Tusayan anticipate that a completed, executed Settlement
15 Agreement will be filed with the Commission within a few days after August 7, 2013.

16 **III. Date For Filing CCN Application**

17 The Settlement and Transfer Agreements provide that Hydro will file an application
18 for its own CCN within 30 days of execution of the Settlement Agreement. As noted
19 above, it is anticipated that the Settlement Agreement will be executed by August 7, 2013,
20 and Hydro anticipates filing its CCN application by early September 2013. Hydro has a
21 pre-application meeting scheduled with Commission Staff following the August 20, 2013
22 Procedural Conference set in this matter.

23 **IV. Scheduling Evidentiary Hearing/Other Procedural Guidelines**

24 Hydro is hopeful that its upcoming CCN Application will be considered on a timely
25 basis in order to speed resolution of remaining water service issues in the Town of
26 Tusayan. In the meantime, Tusayan will continue to provide service until a firm takeover
27 date is established in the proceedings to cancel its CCN and award a new CCN to Hydro
28 for the same area.

1 Dated this 31st day of July, 2013.
